

Jeff Czerwinski, PGA

College/University:	Western Carolina University BS Radio/Television, 1995
Year Turned Pro:	Turned Professional in 1997, Class "A" 2002
Job Title & Facility:	Director of Instruction Golf Town in Watertown, MA

Background summary and credentials:

Since becoming involved in the business I have worked at Public, Private and Resort courses as an apprentice and head professional. My most recent position in a retail setting is another way to expand my knowledge of the business.

What was your motivation to become a PGA Professional?

I have loved the game since first playing when I was 8-years-old. I spent time with my dad one-on-one and want to pass this passion and opportunity on to others.

What is your specialty in the golf business?

I don't have a specialty certification but would say that customer/member services would be my strongest attribute to the game and business.

Please list any accomplishments:

I was a member of the New England Assistants board in 2000-2001 and tournament director at the time. I was voted by the association as NEPGA Assistant of the Year at that time.

What was your greatest moment in golf?

My greatest moment in golf was when I passed the PAT while my father was with me.

What or who has had the greatest impact on your career?

I would have to say two people have been equally influential. My father for introducing the game to me and a golf professional who told me that I would have an aptitude for the business.

Besides golf, what else do you enjoy?

I enjoy playing badminton, reading and spending time with my family.

If you could play any golf course in the world, which one would it be and who would complete your foursome?

I would love to have the chance to play St. Andrews with my father, my son (when ready) and the last person to have won The Open championship at St. Andrews.

If you could give lessons to anyone in the world who would it be and what advice would you give?

I would love to give my wife, daughter and son lessons and make it a family sport. My advice to them would be to relax and enjoy the game.

What is your favorite golf instruction tip?

"Never see a three foot putt go in the hole. Hear it in."
